

Newton School
Coding Club

Hey, Samyak Jain!
Let the drums roll!

Congratulations! We are delighted to offer you the position of **President** for your campus.

We welcome you to the community of competitive and fierce coders where you can represent your college at a global level!

Your energy and passion have proven you the best fit to lead this global club.

You will be creating a wave of transformation within your college by establishing a healthy and competitive coding environment that will catalyze the growth of the students and help them pursue their dream careers in tech.

This journey will ensure your extensive development by providing you with an insight into all the aspects of successfully founding and running a club. It will be the first step towards your successful tech career!

Regards,
Team Newton School Coding Club
